LAKE GEORGE, NY (August 22, 2013): Adirondack Winery is proud to announce that two wines from its newest varietal lines have earned medals at the prestigious New York State Fair Commercial Wine Competition.

(<http://store.adirondackwinery.com/seyvalblanc.html>) Adirondack Winery's Seyval Blanc

(<http://store.adirondackwinery.com/seyvalblanc.html>) won a coveted GOLD medal at this competition (it was the only winery to win Gold for Seyval Blanc). Part of the company's new "Wine Maker Series" (<http://store.adirondackwinery.com/wimase.html>), Seyval was created from grapes harvested in the Lake Ontario region in 2012. Since its release in May 2013, locals and tourists that have had the privilege of tasting the wine at the winery's Lake George Tasting Room have raved about it, causing Seyval Blanc

(<http://store.adirondackwinery.com/seyvalblanc.html>) to quickly shoot up in ranking among the winery's bestselling varietals. The Wine Maker Series (<http://store.adirondackwinery.com/wimase.html>), dubbed as "the wines our Wine Maker loves to craft and enjoy himself," also includes a Baco Noir

(<http://store.adirondackwinery.com/baconoir.html>).

(<http://adirondackwinery.files.wordpress.com/2013/08/white-diamond-w-grapes-glass-diamonds-words-and-medal.jpg>) Adirondack Winery's "White Diamond"

(<http://store.adirondackwinery.com/whitediamond.html>), which is part of the company's NEW Jewel Collection, snagged a Silver Medal at the New York State Fair Competition. Part of the Jewel Collection

(<http://store.adirondackwinery.com/jeco.html>) trio, which also includes "Pink Gem (<http://store.adirondackwinery.com/pinkgem.html>)" (a Niagara Blush) and "Red Ruby

(<http://store.adirondackwinery.com/redruby.html>)" (a red blend), White Diamond was also released in May 2013. The Jewel Collection

(<http://store.adirondackwinery.com/jeco.html>) offers delicious, semi-sweet wines with the tag line, "the perfect wines to enjoy during fun times with the precious jewel in your life – your true friends!" White Diamond (<http://store.adirondackwinery.com/whitediamond.html>) was

created from Diamond varietal grapes harvested and crushed in 2012 in the Lake Ontario region; Adirondack Winery completes the entire wine fermentation and making process at its facility in Queensbury.

(<http://store.adirondackwinery.com/jeco.html>) "The Jewel Collection

(<http://store.adirondackwinery.com/jeco.html>) and Wine Maker Series

(<http://store.adirondackwinery.com/wimase.html>) are two completely new lines of wines we debuted this year with the intention of creating wines with a new image for our company, and we could not be more thrilled to earn Gold and Silver medals so quickly," said Sasha Pardy, President. While to date all of Adirondack Winery's wine labels have featured photography of the Lake George region; the Jewel Collection (<http://store.adirondackwinery.com/jeco.html>) wine labels offer a "glitzy, glam" look and the Wine Maker Series

(<http://store.adirondackwinery.com/wimase.html>) wines offer a more traditional, upscale look that feature a hand-drawn emblem of the view of Lake George from Prospect Mountain.

Adirondack Winery will be appearing at the Great New York State Fair, pouring tastings and selling bottles of its award-winning wines (<http://store.adirondackwinery.com/awwiwi.html>), under the "Taste New York" tent on Saturday, August 24, 2013.

Adirondack Winery started entering wine competitions in early 2009 and with these latest awards, 36 of its wines have earned 78 medals in total.

ABOUT ADIRONDACK WINERY:

Adirondack Winery opened April 17, 2008 as the region's first winery. Winemaker and CEO, Michael Pardy, sources grape must from various vineyards to create the more than 35 wine varietals on Adirondack Winery's wine list. All of Adirondack Winery's wine labels feature photographs of landscapes, landmarks, and special events in the local region, created by Sasha Pardy. Adirondack Winery's wine making facility is located in Queensbury, NY and its
